DIRECTORS' REVIEW REPORT TO THE MEMBERS

Dear Members,

The Directors of your Company take pleasure in presenting before you the financial performance of the Company for the half year ended December 31, 2020, duly reviewed by the statutory auditors.

Performance review

During the period under review, your Company has achieved following:

- Turnover grew by 25% to Rs. 1,647million (2019:Rs. 1,312 million).
- Gross profit increased to Rs.242 million-margin 15% (2019:Rs.150 million-margin 11%).
- EBITDA increased to Rs.216 million (2019:Rs.138 million).
- Finance cost declined to Rs.49 million (2019:Rs.93 million).
- Profit before tax increased to Rs.124 million (2019:Rs.3 million).
- Earnings per share increased to Rs.3.39 (2019:Rs.0.09).
- Plant capacity increased by 9% to 38,460 spindles & operated at FULL capacity.
- Regular in debt servicing with ALL banks.
- PACRA has maintained credit rating category A with stable outlook.

Future outlook

The swift post-pandemic economic recovery in the country has generated strong demand for the textile products. Meanwhile, the announcement of the long awaited Textile Policy 2020-25 by the Government would further support the industry.

Globally, the accelerated development, availability and administration of COVID-19 vaccines has brought back much-needed confidence and activity in the markets. The international oil prices have rebounded which have caused increase in cost of manmade fiber and would, hopefully, translate into higher prices for synthetic yarn as well.

On the domestic front, the CCOE has recently approved the proposal for discontinuation of natural gas supply for captive power generation of the export-oriented industry. This proposal if implemented, will adversely impact production costs of industrial units. In view of such frequent policy changes, we are continuously adjusting our energy mix with increasing reliance on solar energy. We believe our investments in solar will not only lower our energy costs but will also enhance our energy resilience.

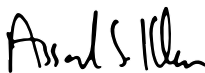

The Management is following the strategy of continuous BMR plan having dual effect by reducing operational costs along with increase in profitability. We are optimistic to forecast the reasonable profitability in the third quarter of current financial year.

'Safety First' and acknowledgment

The Board by recognizing its social responsibility arising out of the virus outbreak, has adopted the policy of "Safety First" and ensured all necessary SOPs.

The Board acknowledge overall performance of the Company's workers, staff and executives more especially in pandemic times. Also, the Board appreciates for the support of our bankers and our valued customers. We look forward to the same dedication and cooperation in the days ahead.

For and on Behalf of the Board

- PACRA نے A کی ٹیکسٹ کی ریٹنگ کو برقرار رکھا جو کہ مستحکم آؤٹ لک کو ظاہر کرتی ہے

مستقبل کا نقطہ نظر

عالمی وبا کے بعد تیز معاشی بحالی نے ملک میں ٹیکسٹائل مصنوعات کی زبردست طلب پیدا کی ہے۔ فی الوقت گورنمنٹ کی طرف سے طویل انتظار کی گئی ٹیکسٹائل پالیسی 25-2020 صنعت کو مزید مستحکم کرنے کی۔

عالمی Covid-19 ویکسین کی جلدی فراہمی اور انتظام مارکیٹ میں ضروری اعتماد کو واپس لانی ہے۔ تیل کی عالمی قیمتوں میں اضافہ ہوا ہے جو کہ بینکنگ میڈیا سہر کی قیمتوں میں اضافہ کرنے کی جو کہ متوقع طور پر مصنوعی دھماکے کی قیمتوں میں بھی اضافہ کرنے کی۔

مقامی سطح پر حال ہی میں سی ای او ای نے ایک سپورٹ اور بنڈ صنعت کو بکلی پیدا کرنے کے لیے گیس کی فراہمی معطل کرنے کا فیصلہ کیا ہے یہ تجویز اگر لاگو ہوگی تو صنعتی پڈس کی پیداوار کی لاگت میں منفی اثر مرتب کرنے کی۔ پالیسی میں بار بار تبدیلی کے مدنظر ہم اپنی توانائی کے مرکب کو بدلنے رہتے ہیں اور شکی توانائی زیادہ انحصار کر رہے ہیں۔ ہم توقع رکھتے ہیں کہ شکی توانائی میں سرمایہ کاری نہ صرف ہماری توانائی کی لاگت میں کمی لائے گی بلکہ ہماری توانائی کی ضرورت میں چلک پیدا کرنے کی۔

بینجمنٹ مسلسل پی ایم آر کی حکمت عملی پر عمل چلا رہا ہے جو کہ دوہرا اثر رکھتی ہے اور آہر ٹیکسٹ کی لاگت کو کم کرنے کے ساتھ ساتھ منافع کو بھی بڑھائے گی۔ ہم امید کرتے ہیں کہ موجودہ سال کے تیسرے سہ ماہی میں مناسب منافع دیکھا جائے گا۔

اول حفاظت اور اظہار تشکر

بورڈ آؤٹس کے بعد آ جاگر ہونے والی اپنی سماجی ذمہ داری کو سمجھتے ہوئے اول حفاظت کی حکمت عملی اپنائے ہوئے ہے اور تمام SOPs کو ضروری بنایا ہے۔ بورڈ کمیٹی کے کارکنان، سٹاف اور ایگزیکٹوز کی کارکردگی کو بالخصوص ان مشکل حالات میں خراج تحسین پیش کرتا ہے۔ اور بورڈ ہمارے بینکرز اور معزز گاہکوں کے تعاون کا شکر گزار ہے۔ ہم آئندہ دنوں میں اسی تعاون اور لگن کی امید کرتے ہیں

INDEPENDENT AUDITORS REVIEW REPORT TO THE MEMBERS ON CONDENSED INTERIM FINANCIAL INFORMATION

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **Kohat Textile Mills Limited** (the Company) as at December 31, 2020 and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the six months period then ended (herein-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

The figures of the condensed interim statement of profit or loss and other comprehensive income for the quarters ended December 31, 2020 and 2019 have not been reviewed, as we are required to review only the cumulative figures for the six months period ended December 31, 2020.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Emphasis of Matter

Without qualifying our conclusion, we draw your attention to the note 7.1.2 to the interim financial statements, which describes the matter regarding non-provisioning of Gas Infrastructure Development Cess.

The engagement partner on the review resulting in this independent auditors' review report is Osman Hameed Chaudhri.

7. CONTINGENCIES AND COMMITMENTS

7.1 Contingencies

- 7.1.1 Guarantees aggregating Rs.113.162 million (June 30, 2020: Rs.88.462 million) have been issued by the banks of the Company to Sui Northern Gas Pipeline Limited and Excise and Taxation Department, Karachi. These guarantees are secured against pari passu charge over the Company's fixed and current assets.
- 7.1.2 The Gas Infrastructure Development Cess ("GIDC") was firstly imposed as a levy on gas consumers in 2011 vide GIDC Act 2011. The said Act was challenged in Peshawar High Court ("PHC") that declared the levy of GIDC unconstitutional. The government challenged the decision in the Supreme Court ("SC"). The SC upheld the PHC's decision declaring GIDC a fee and not a tax that could not be introduced through money bill. Soon after the said decision, GIDC Ordinance 2014 was promulgated through which GIDC was again imposed. The Ordinance was also given retrospective effect from December 15, 2011. While the Ordinance was still in field, the Government sought review of the SC's decision which was also dismissed by the SC.

In May 2015, the government passed the GIDC Act, 2015 whereby GIDC was again imposed on gas consumers. The Company filed the writ petition in the PHC and challenged the validity of the GIDC Act, 2015. The PHC dismissed the writ petition of the Company vide its judgment dated May 31, 2017 and declared the GIDC Act, 2015 to be intra vires the Constitution. The Company preferred an appeal to the SC against the said judgment of PHC. The SC was pleased to decide all petitions in its detailed judgment dated August 13, 2020.

FOR THE SIX MONTHS PERIOD ENDED DECEMBER 31, 2020

Meanwhile, in 2018, the Company sought interim relief from PHC on the plea that the Company did not pass on GIDC to its end customers and therefore was not liable to pay the GIDC. PHC granted interim relief and refrained SNGPL from recovering the GIDC from the Company.

It is pertinent to mention that the SC has specifically stated in its judgment dated August 13, 2020 that GIDC is recoverable only from those gas consumers that has passed the burden to its consumer / clients (Para 42). The management maintains that the Company is not liable to pay the GIDC because the Company is not selling its yarn to the end consumers / retail customers and cannot pass on GIDC to its buyers. The prices of yarn and cotton are determined by the local and international markets based on demand and supply mechanism. Accordingly, the Company filed the review petition in the Supreme Court of Pakistan against the above judgement of SC. The SC dismissed the review petition vide its judgment dated November 02, 2020, however, SC mentioned in its said judgment that the companies claiming any relief under GIDC Act 2015 may approach the right forum. In case of adverse decision the contingent liability aggregates to the tune of Rs.97.630 million calculated on the basis of applicable rate for industry from June, 2015 to October, 2018 because from October 2018 the gas tariff is inclusive of all charges including GIDC and therefore GIDC is not applicable afterwards. However, SNGPL has raised the demand against GIDC of Rs.319.934 million in their bill.

In a writ petition number 3586-P/ 2018 PHC in its judgment dated September 16, 2020 has referred the matter to OGRA being the relevant authority for the determination of the fact whether the Company has passed on GIDC to its customers or not.

7.1.3 The OGRA, while citing the judgment of the Hon'able SC dated May 10, 2019 in civil appeal in number 159-L to 2014-L of 2018 titled Sui Northern Gas Pipelines Ltd, Vs Bulleh Shah Packaging (Pvt.) Ltd., passed the decision that the consumer who are having supply of natural gas for industrial use and having in-house electricity generation facility for self-consumption fall in the category of industrial consumers and are subject to the corresponding tariff. The OGRA also directed SNGPL to adjust the excess amount paid. Excess amount paid by the company is Rs.46.698 million which is expected to be adjusted by the SNGPL in future gas bills. The Company has not accounted for the same amount as receivable in the financial statements.

7.1.4 The Company has challenged SRO#584(I)/2017 by filing a writ petition dated May 15, 2018, before PHC, challenging the levy of further tax @ 1% on textile goods usable as industrial inputs if supplied to unregistered person under section 3(A) of Sales Tax Act, 1990. The PHC has granted stay, against the charging of further tax the Respondents has been asked to submit their comments. The petition before the PHC is pending adjudication. However, in a similar case, Lahore High Court has decided the matter in favour of industry in its judgement dated December 11, 2018.

12. FAIR VALUE OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES

Fair value is the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date. Fair values categorised into different levels in a fair value hierarchy based on the inputs used in the valuation technique are as follows:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities [Level 1].
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) [Level 2].
